Head of Tax, Global Online Fashion Retailer

I first spoke to Andrew in November 2020 to discuss my career to date and particular areas of future interest. Within a couple of days, he had lined up an initial call with a partner at a firm I had been interested in for a while. Overall, the process from start to finish was smooth and professional which made a potentially stressful process far easier. Andrew was always available to answer any questions I had."

It is never easy being in a job where you are unhappy or where you feel you are an ill fit. It is especially hard feeling this way in the midst of a global pandemic. Just the thought of looking for a job in another jurisdiction and in the current economic climate was daunting. However, with a recruiter like Andrew, the entire process has been seamless. Andrew did so whilst maintaining professionalism and the rare that you get who not only promises but also delivers on interests. Andrew put me forward for a major career move which appears to be a perfect fit for the climate - Andrew is the person I would recommend to anyone who comes highly recommended from my own experience. I highly recommend Andrew."

The great thing about working with Andrew is that he is very easy to get on with. It's clear to me that his pleasant nature is part of what makes him such a successful recruiter. He is a people person, but beyond this he also has an incredible and extensive knowledge and awareness of his field, it is very evident that he's worked in the tax profession himself earlier in his career.
