Why use AVTR for your job search

We know the market

Andrew spent 7 years working in the tax profession in client facing roles for KPMG, Saatchi & Saatchi and EY before he moved into the world of tax recruitment. He has unrivalled knowledge and expertise of the tax market.

Better connections

We are constantly building on Andrew's already strong and established network spanning over 20 years of industry experience. Operating globally across many different time zones, we have developed excellent relationships through honest and open communication, hard work, and professionalism.

Extra support

AVTR strives to meet both client and candidate needs through effective communication, wherever you are in the world! We care about every aspect of your recruitment journey, actively guiding you through CV submission, interview preparation, and final salary discussions.

Communication

At AVTR we work hard to ensure that we have a precise understanding of your job preferences through effective and responsive communication. We pride ourselves on our approachable and comprehensive nature.
