Merry Christmas!

Celebrating three years of successful recruitment in the Tax sector, AVTR Recruitment is excited to introduce its new name, as well as announce two new areas of specialism - Tech and Legal!

We've already had fantastic success in these two new areas this year, and cannot wait to continue recruiting across all three industries in 2022!

We truly hope that all of you who are celebrating the festive season have a safe, fun, and happy time with your loved ones.

Merry Christmas from all of us at AVTR!
