They should be really proud of their hard

work, dedication and effort, it has paid off.

‘240 candidates have now successfully completed all of the CTA examinations and we very much look forward to welcoming them as members of the Institute in the near future. Included in this figure are 60 candidates who were on the ACA CTA Joint Programme, one candidate who was on the CA CTA Joint Programme and 51 candidates who have now fully completed the ATT CTA Tax Pathway by passing the CTA element.

‘We look forward to welcoming those new members into the Institute at the next Admission Ceremony.’

The Association President, Simon Groom, commenting upon the results said: ‘I am delighted to congratulate all the successful candidates from the November sitting of our exams. In total, 809 ATT candidates and 495 ATT CTA Tax Pathway candidates sat 1,743 papers and 1,328 passes were achieved. 92 distinctions were awarded to candidates for outstanding performance.

‘With my background in tax education, I am well aware of the many hours of study required to sit our examinations and I commend all the candidates for putting in the work necessary to achieve success.

‘The ATT’s modular system means that candidates can study at their own pace, within the five-year registration period, whether they are working towards full membership or simply wishing to obtain one or more Certificates of Competency in their specialist area.

‘I look forward to meeting the candidates who take up membership at our next Admission Ceremony.’
