Andrew Disley: 1,000 mile run for TaxAid!

Briefings

24 June 2024

Between 1st June to 5th July, Andrew Disley is aiming to run/walk from Land's End to John O'Groats – a distance of 1,030 miles – in a fundraising campaign for Bridge the Gap.

At the time of writing, Andrew has made it as far as Glasgow, enjoying some beautiful scenery and some days running over 35 miles!

He has been volunteering with TaxAid for almost 10 years. You can hear his story on our Tax Adviser podcast at: https://tinyurl.com/27h78y3b.

TaxAid helps those in need resolve their tax problems. A typical client receives very low income, has mental health issues and faces demands for £000s of tax penalties even though they have no tax liabilities at all. More details can be found at https://taxaid.org.uk/about.
